Honnen Equipment acquires John Deere Construction dealerships in Utah and Southern Idaho

Honnen Equipment Co. has acquired the assets of four John Deere Construction & Forestry dealerships from Scott Machinery Co., which it will add to its 6 locations currently serving Colorado and Wyoming.

The acquisition includes dealerships in Salt Lake City, Ogden, and St. George, UT, and Idaho Falls, ID. The purchase, which closed May 1, 2009, will expand the sales and service network for John Deere Construction & Forestry products, Hitachi products and Wirtgen Group Products (Wirtgen, Hamm and Voegle) for Honnen Equipment Co.

The Utah facilities are located at 4055 S. 500 W. in Salt Lake City, 3400 S. Midland Drive in Ogden, and 831 E. Factory Drive in St. George. The Idaho facility is located at 1505 Foote Drive in Idaho Falls.

"This acquisition will ensure that John Deere Construction customers in the Rocky Mountain Region will benefit from Honnen Equipment's larger geographic footprint allowing increased inventory for sales and rentals, and improved parts fill, as well as expanded support resources.", says Mark E. Honnen, president of Honnen Equipment Co. "Our Mission is: To be the customers' first choice for construction equipment sales, rentals, parts and service by selling quality machines, and providing superior product support."

Honnen Equipment Co. is your factory authorized source for John Deere Construction & Forestry Equipment, John Deere Commercial Worksite Products, Hitachi Excavators and Trucks, Manitowoc Cranes, Grove Hydraulic Cranes, National Telescopic Boom Trucks, Lull Variable Reach Forklifts, Wirtgen Milling Machines, Hamm Rollers, and Voegle Asphalt Pavers. *Certain equipment not available at all locations.
